SPECIAL NOTICE

It will be appreciated by the Fair management if visitors will report any misunderstandings with employees of the Fair or concessionaires to the Manager. Do not wait until the Fair is over to make a complaint, report it immediately.

SPECIAL DAYS DURING THE FAIR

School DaysMonday, 9/25, Tuesday, 9/26
All persons under 18 years of age admitted free.

Senior Citizen DayTuesday, 9/26
All persons over 60 years of age admitted free.

POLICE AND SECURITY

Police and/or Security Personnel will be on duty 24 daily during the fair. The Fair Association will not guarantee that loss of property will not occur, but will attempt to prevent any such loss.

GENERAL RULES AND REGULATIONS

1. The Board of Directors reserves the right to postpone or extend the date of this Exposition; to make any changes in the premium list they may deem necessary for the best interest of the Exposition; to interpret all rules and regulations; and to add to these rules, and settle all questions and differences in regard thereto.

2. The Panhandle South Plains Fair Association reserves the right to pay printed premiums in ratio to net earnings. The Association hopes to pay all premiums in full this year; however, as premiums and all other expenses must be paid from gate and other receipts made from the operation of the Fair itself, this condition is made to put exhibitors on due and legal notice.

3. Any person violating the general or special rules as published in this premium list will forfeit all privileges and premiums won.

4. The Panhandle South Plains Fair Association, its officers, and its employees shall not in any way be held responsible for loss, damage or injury to articles, livestock or person, while same is on the Fairgrounds. The Fair Association will take all reasonable precautions to protect the property and exhibits of the concessionaires and exhibitors – but will not be liable for, or make payment for any article, animal or property lost, damaged or injured while on the Fairgrounds.

General Rules and Regulations Continued

5. No claim or suit for injury to any person or property shall be asserted against the Panhandle South Plains Fair Association, its officers or agents, by any person, firm or corporation, or their agent, representatives, servants or employees having permits to exhibit or occupy space on the Fairgrounds.

6. Any exhibit, stand, show or concession falsely entered shall, at the option of the Manager, be removed from the Fairgrounds without any reason being assigned therefor and the refunding of any money paid for such space will be left to the discretion of the Board of Directors.

7. All entries shall be subject to the special rules of the department under which they are entered. In case of conflict between general and special rules, the latter shall govern.

8. All protests shall be passed on by the Board of Directors and must be made in writing to the Manager, accompanied by an affidavit setting forth the grounds for protesting, together with a deposit fee of fifty dollars which will be forfeited if the protest is not sustained. Parties interested will be notified of the time and place for considering the protest and will be given an opportunity to submit evidence.

9. No person will be permitted to distribute advertising matter on the Fairgrounds, except from his or her place of business or exhibit space. The tacking of any advertisements, bills, or posters other than within the space occupied by the exhibitor is strictly forbidden. Civic, religious, and fraternal organizations are invited to rent booth space under the same rules that apply to all exhibitors. Begging, soliciting, singing, or public speaking is prohibited except from the exhibitors space rented expressly for that purpose.

10. Dogs will not be permitted on fairgrounds during the fair, except those providing assistance to Americans with Disabilities.

11. Rules and Regulations of the Texas Animal Health Commission will apply to all animals and fowl entered for exhibition at the Fair.

12. All livestock trailers, trucks, and other vehicles are required to park on the outside parking lots. No parking will be allowed inside the Fairgrounds.

13. Exhibitors are asked to exercise extreme caution in the handling, transporting, loading, and unloading of their exhibits while on the fairgrounds. Exhibitors are responsible for the actions of their animals and can be held liable for the damages and injuries caused by them.

14. Exhibitors must have owned all animals shown by them for at least 30 days prior to the date of exhibition. Firms or partnerships who own animals entered must have been in existence at least 30 days prior to the Fair opening and have written proof.

15. Exhibitors may bring their own feed, however, in order for the exhibits to be presented in a more attractive manner, only a limited amount should be brought in at any one time and this must be kept in the service alley. **Grooming Chutes are not allowed on the fairgrounds during the Junior Shows.**

16. The Fair Association reserves the right to limit entries and no entry will be accepted for exhibition for which provision is not made in this premium list. **In the Junior Shows, all pen and stall assignments will be made in the same manner in which they were entered by CEA or AST, no county groups or club groups allowed.**

17. All applications for entry of livestock must be made in writing on printed forms, contained in their book or obtained from the **Fair Office**. **Verbal notice of entry will not be accepted.**

18. An animal not up to the requirements of the premium list, as to pedigree and registration, will be barred from competition.

19. Entry fees are non-returnable and refunds will not be made.

20. Judges will not award prizes to an unworthy exhibit. In cases where there is only one exhibitor and no other competition, premium shall be awarded in accordance with the merits of the item exhibited, which may be first, second, third, fourth, etc.

21. Where it is possible, awards will be made by the single judging system and, as far as practical, judges of livestock will be chosen from among those recommended by the various breeders' associations.

General Rules and Regulations Continued

22. The decision of the judges shall be final and no appeal will be considered except in the case of a protest.

23. Premium ribbons will be awarded in accordance with the following — blue, first; red, second; white, third; pink, fourth; yellow, fifth; etc.

24. Only first prize winning animals are eligible to compete for championship honors. Only champion prize winning animals are eligible to compete for grand champion honors.

(In Championship Classes, “Senior” designates cattle two years old and over; “Junior” under two years.)

25. Livestock may not be removed from the grounds early without a written release from the Superintendent of the Department in which entered.

26. Photographs of champion and reserve champion winners in all Departments are needed by the Fair Association. A Fair Photographer will be present.

27. HERDSMAN AWARD: \$25.00 plus a banner will be awarded to the exhibitor who maintains the most attractive exhibit and reflects the best all around cooperative attitude in the Southwest Regional Open Southdown, Open Rambouillet Sheep, and the Open Boer Goat Shows. \$25.00 plus a Director’s chair will be awarded in the Dairy Cattle Show.

28. JUNIOR SHOWMANSHIP AWARD: \$25.00 plus a plaque will be awarded to a Junior Exhibitor in the Junior Dairy, Junior Steer, and Junior Beef Heifer on the basis of general appearance, skill, courtesy, and sportsmanship in the arena and the ability to follow instructions.

TEXAS ANIMAL HEALTH COMMISSION

P.O. Box 12966 • Austin, Texas 78711-2966

Summary of Texas Requirements for Entry of Livestock and Poultry into the State and into Shows, Fairs, and Exhibitions

Note: The following summary is a condensed version of the Texas Animal Health Commission regulations. The regulations will supersede this summary if there is a dispute between the two.

1. Infected Exposed, or Quarantined for Disease

Any livestock, poultry, ratites that are infected, exposed, or quarantined in any manner for an infectious, contagious, or communicable disease may not enter the state unless:

- A. They are consigned direct to slaughter or to a designated pen or to a quarantined feedlot or directly from the premise of origin to a specifically approved market for sale to slaughter or to a designated pen or to a quarantined feedlot accompanied by a VS 1-27 permit (Swine that are infected or exposed to PRV may be moved from out of state only directly to a slaughter plant in Texas.); or
- B. If quarantined as a result of Commission action may enter only as specified in the quarantine order established by the Commission; or
- C. Given written permission by the Executive Director of the Commission for each movement.

NOTE: Cattle, cervids and goats originating from specific areas of Michigan are required to be tested for tuberculosis because of the presence of this disease in free-ranging deer (refer to 4 Texas agriculture Code (TAC), Chapter 43 and 4TAC Chapter 51, Section 51.10 and 51.11).

NOTE: “Brushy-tailed possums cannot be transported into the State.”

2. Certificate of Veterinary Inspection

The certificate must indicate that the accredited veterinarian found the animals or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations, or treatments required by the Commission were completed. For certain diseases, a specific statement may be required indicating disease free status. The certificate is required to accompany animals and fowl

Texas Animal Health Commission Continued

entering the State of Texas as stated in the following summary of entry requirements. The certificate is valid for 45 days for equine and 30 days for all other species.

3. Waybill

The waybill may be used in lieu of a certificate of veterinary inspection to accompany:

- A. Cattle, 18 months of age and over, delivered directly from a farm of origin consigned to slaughter or an USDA Specifically Approved Livestock Market.
- B. Steers, spayed heifers, and cattle under 18 months of age, consigned to slaughter or a livestock market.
- C. Swine consigned to slaughter.
- D. Poultry consigned to slaughter establishment that maintains federal postmortem inspection.

The waybill must contain the name and address of the owner or shipper; point of origin; number and type of livestock and/or poultry; purpose of movement; and destination.

4. Prior Entry Permit

Entry permits are required as noted in the following summary of entry requirements. Permits may be obtained by calling 512/719-0777 (24 hours) or 1/800-550-8242, or by writing the Texas Animal Health Commission, 2105 Kramer Lane, P.O. Box 12966, Austin, Texas 78711-2966.

5. Entering Shows, Fairs and Exhibitions

- A. Livestock, poultry, and ratites entering from out of state must meet this state's entry requirements.
- B. Animals moving from out of state and entering for exhibition and sale must be accompanied by a certificate of veterinary inspection and a permit for entry when required by the entry regulations. The permit for entry is not required when livestock enter for exhibition and return to the state of origin.
- C. Poultry entered in terminal public exhibition events shall be accompanied by a certificate of source which identifies the flock of origin. Poultry entering in a non-terminal public exhibition shall be accompanied by a certificate of veterinary inspection. The certificate of veterinary inspection shall state that poultry have been inspected and are free from evidence of infectious or contagious diseases; that the poultry have been vaccinated only with approved vaccines, and poultry have not originated from an area that has had an active avian disease within 30 days of entry and the results of such test shall be recorded on the certificate of veterinary inspection.
- D. Equine may enter Texas shows, Fairs, exhibitions, or assembly purposes when accompanied by a valid equine interstate passport or equine identification card and a completed VS Form 10-11 showing negative results to an official EIA test within the previous 6 months or a certification of veterinary inspection and a completed VS Form 10-11 showing negative results to an official EIA test within the previous 12 months.
- E. Equine originating in Texas and:
 - (1) Entering parimutuel racetracks – Must be accompanied by a certificate of veterinary inspection and a negative test for EIA conducted within the previous 12 months. Foals nursing a negative dam are exempt from testing.
 - (2) Entering a show, fair, exhibition, and assembly – Must have a negative test for EIA conducted within the previous 12 months. Foals nursing a negative dam are exempt from testing.
- F. All other livestock, poultry, and ratites originating in Texas and:
 - (1) Entering interstate shows, fairs, and exhibitions (those functions that permit livestock and poultry from other states to enter for show or exhibition and held in common facilities with Texas origin livestock and poultry of the same species) – Are exempt from an entry permit but must

Texas Animal Health Commission Continued

meet the same other requirements as for those entering from out-of-state and be accompanied by a certificate of veterinary inspection

- a. Ratites must be individually identified with an implanted electronic device (microchip) and tested negative for Avian Influenza and Salmonella pullorum-typhoid within 30 days of entry.
 - b. Swine entered in terminal shows are exempt from brucellosis, leptospirosis, and pseudorabies requirements.
 - c. Breeding rams originating in Texas are exempt from the brucella ovis test.
 - d. Vaccination for brucellosis is not required for cattle.
- (2) Entering all intrastate shows, fairs and exhibitions (those functions that require Texas livestock, poultry, and ratites of the same species to be housed and exhibited separate and apart from livestock, poultry, and ratites from out of state) – Are exempt from the entry permit, certificate of veterinary inspection and testing requirements, except poultry must originate from flocks or hatcheries free of pullorum disease and fowl typhoid or have a negative pullorum-typhoid test within 30 days before exhibition.
- G. Rodeo stock from Mexico shall be tested for tuberculosis within 12 months prior to their utilization as rodeo or roping stock, and retested for tuberculosis every 12 months thereafter. This is in addition to the entry requirements set out in the section “Cattle Entering the State from Foreign Countries”.

6. Cattle Entering the State from Other States

A. Brucellosis Requirements

Test eligible cattle are defined as all cattle that are parturient or post parturient or that are 18 months of age and over, except steers, and spayed heifers.

- c. Non-vaccinated females, over 4 months of age and under 12 months of age, must be accompanied by an "S" permit or certificate of veterinary inspection when moving from a livestock market or accompanied by a waybill when moving directly from the premise of origin. Individual identification is not required.

(3) To Slaughter Plants

- a. Sexually intact cattle, 18 months of age and older and not from class free states or areas, certified brucellosis free herd or commuter herds, may enter provided they meet one of the following:
 - (i) Be delivered directly from the farm of origin and accompanied by a waybill; or,
 - (ij) Be "S" branded and accompanied by an "S" permit; or,
 - (iii) If entering from other than a farm of origin may be accompanied by an "S" permit on which individual animal identifications listed along with brucellosis test data including test date and results of the; or,
 - (iv) May meet test requirements for entry and be accompanied by a certificate of veterinary inspection.
- b. Steers, spayed heifers, and bulls and vaccinated heifers under 18 months of age may enter without restriction if delivered by the owner. A waybill is required to accompany the shipment when delivered by another person.
- c. Nonvaccinated females, over 4 months of age and under 12 months of age, must be accompanied by an "S" permit or certificated of veterinary inspection when moving from a livestock market or accompanied by a waybill when moving directly from the premise of origin. Individual identification is not required.

(4) To Livestock Markets

- a. Sexually intact cattle, 18 months of age and older and not from class free states or areas, certified brucellosis free herd or commuter herds:
 - (1) moving from other than a farm of origin must meet prior testing requirements for entry from the particular state or country of origin and be accompanied by a certificate of veterinary inspection;
 - (2) delivered directly from a farm of origin to an USDA specifically and need only a waybill, if delivered by another person.
- b. Steers, spayed heifers, and bulls and vaccinated heifers under 18 months of age may enter without restriction if delivered to the market and accompanied by a waybill.

Texas Animal Health Commission Continued

- c. Nonvaccinated female cattle between 4 and 12 months of age moving directly from the premise of origin must be accompanied by a waybill or if entering from a livestock market they must be accompanied by an “S” permit or a certificate of veterinary inspection. These females are not required to be individually identified.
 - (5) To a Premise or Nonquarantined Feedlot
 - a. A certificate of veterinary inspection is required.
 - b. An entry permit is required on sexually intact cattle, 18 months of age and older, except those entering from class free or “A” states, certified free herds, or commuter herds.
 - c. Female cattle between 4 and 12 months of age must be vaccinated according to entry requirements.
 - d. Sexually intact cattle, 18 months of age and older, from noncertified free herds is Class “A” and “B” States or areas must be tested negative within 30 days prior to entry.

B. Tuberculosis Requirements

All Breeding cattle not nursing a negative dam must either be tested negative for tuberculosis within sixty days prior to entry with results noted on the certificate of veterinary inspection or be from an accredited free herd or area. See NOTE on first page about cattle and bison originating from Michigan.

C. Fever Tick Requirements

Cattle originating in a tick quarantined area must be accompanied by a certificate issued by an authorized representative of the Commission, showing the cattle are free of infestation and exposure to fever ticks and have been dipped under supervision in an approved dipping solution immediately prior to shipment.

D. Scabies Requirements

Cattle originating in a scabies quarantined area must be accompanied by an entry permit along with certification that the herd of origin is declared free of scabies or exposure to scabies and cattle have either been dipped with approved dip or injected with Ivermectin.

E. Screwworm Requirements

All animals presented for entry into Texas from any area in which the screwworm is known to exist must be free of screwworms and screwworm fly eggs. Wounds (infested or non-infested) must be treated with USDA approved screwworm killer and fly repellent. Animals other than lactating dairy animals and young animals under two weeks of age must be sprayed with a spray approved by the Executive Director.

7. Cattle Entering the State from Foreign Countries

A. Brucellosis Requirements. Requirements for cattle from foreign countries without comparable brucellosis status that enter and remain in Texas.

- (1) Permit Requirement. Sexually intact cattle must obtain an “E” permit prior to entry other than direct to slaughter, quarantined feedlot, or designated pens. The permit number must be entered on the Importation Certificate (VS Form 17-30).
- (2) Branding Requirements.
 - a. Sexually intact cattle, destined for a quarantined feedlot or designated pen must be “S” branded prior to or upon arrival at the quarantined feedlot or designed pen.
 - b. Spayed heifers shall be identified by branding prior to entry.
- (3) Vaccination Requirement. Nonvaccinated sexually intact female cattle between 4 and 12 months of age entering for purposes other than immediate slaughter or feeding for slaughter in a quarantined feedlot or designated pen shall be placed under quarantine on arrival and officially brucellosis vaccinated. The quarantine may be released after a negative test is conducted 30 days after they have had their first calf.

- (4) Testing Requirement for Bulls entering for purposes other than immediate slaughter or feeding in a quarantined feedlot or designated pen. Bulls entering for purposes other than immediate slaughter or feeding in a quarantined feedlot or designated pen shall be tested at the port of entry into Texas under the supervision of the port veterinarian, and placed under quarantine and retested 120 to 180 days after arrival. The quarantine will be released following a negative brucellosis test.
 - (5) Testing Requirement for Females entering for purposes other than immediate slaughter or feeding in a quarantined feedlot or designated pen. All sexually intact female cattle entering for purposes other than immediate slaughter or feeding in a quarantined feedlot or designated pen shall be tested at the port of entry into Texas under the supervision of the port veterinarian, and placed under quarantine and retested 120 to 180 days after arrival for release of the quarantine however, if the sexually intact female cattle have not had their first calf prior to the 120 to 180 day post entry test, the quarantine will not be released until a second negative test for brucellosis is conducted no sooner than 30 days after the animal has had its first calf and the second negative test has been confirmed.
 - (6) Testing Requirement for Sexually Intact Cattle moving directly to a quarantined feedlot or designated pen. All sexually intact cattle destined for feeding for slaughter in a quarantined feedlot or designated pen must be tested at the port of entry into Texas under the supervision of the port veterinarian. These cattle must be "S" branded prior to or upon arrival at the quarantined feedlot or designated pen, and may move to the quarantined feedlot or designated pen only in sealed trucks with a VS 1-27 permit issued by a representative of TAHC or USDA personnel.
- B. Tuberculosis Requirements. All sexually intact cattle, from any foreign country or part thereof with no recognized comparable tuberculosis status:
- (1) To be held for purposes other than for immediate slaughter or feeding for slaughter in a quarantined feedlot or designated pen, must be tested at the port of entry into Texas under the supervision of the port veterinarian, and shall be under quarantine on the first premise of destination in Texas pending a negative tuberculosis test no earlier than 120 days and no later than 180 days after arrival. the test will be performed by a veterinarian employed by the TAHC or APHIS/VS.
 - (2) When destined for feeding for slaughter in a quarantined feedlot or designated pen, must be tested at the port of entry into Texas under the supervision of the port veterinarian; moved directly to the quarantined feedlot or designated pen only in sealed trucks; accompanied with a VS 1-27 permit issued by TAHC or USDA personnel; and "S" branded prior to or upon arrival at the feedlot.
- C. Cattle originating from Mexico
- (1) All sexually intact cattle shall meet the Requirements provided for in tuberculosis requirement B. above.
 - (2) Steers and spayed heifers from Mexico shall meet the federal importation requirements as provided in Title 9 of the Code of Federal Regulations regarding importation of cattle from Mexico. In addition to the federal Regulations, steers and spayed heifers must be moved under permit to an approved pasture, approved feedlot, quarantined feedlot, designated pen, or approved pen. (*Enforcement deferred until after August 1, 2003)
 - (3) Cattle utilized as rodeo and/or roping stock shall meet the Requirements set out in B. above and the applicable requirements below:
 - a. All sexually intact cattle shall be retested annually for tuberculosis at the owner's expense and the test records shall be maintained with the animal and available for review.
 - b. All sexually neutered horned cattle imported from Mexico are recognized as potential rodeo and/or roping stock and must:
 - (i) be tested for tuberculosis at the port of entry under the supervision of the USDA port veterinarian (#Enforcement deferred in lieu of a TB

test performed by a private accredited veterinarian prior to utilization.), and

(ij) be moved by permit to a premise of destination and remain under Hold-Order, which restricts movement, until permanently identified by methods approved by the commission, and retested for tuberculosis between 60 and 120 days after entry at the owner's expense. The cattle may be allowed movement to and from events/activities in which commingling with other cattle will not occur and with specific permission by the TAHC until confirmation of the negative post entry retest for tuberculosis can be conducted (#Enforcement deferred until further notice by the Texas Animal Health Commission.), and

(iii) be retested for tuberculosis annually at the owner's expense and the test records shall be maintained with the animal and available for review.

- (4) Regardless of the reproductive status, test history, or Mexican State of origin, Holstein and Holstein cross cattle are prohibited from entering Texas.
- (5) All cattle moved into Texas from Mexico shall be identified with an "M" brand prior to moving to a destination in Texas. Metal ear tags applied in Mexico must not be removed from the animals.
- (6) A copy of the certificate issued by an authorized inspector of USDA/APHIS, for the movement of Mexico cattle into Texas, or so long as they are moving through Texas.

8 Equine Entering the State

A. All equine shall have a certificate of veterinary inspection and proof of a negative EIA test within the previous 12 months prior to entering Texas. The negative test results, together with the name of the laboratory conducting the test, must be shown on the certificate of veterinary inspection. Alternatively, a completed VS Form 10-11 may be attached to the certificate of veterinary inspection. Only test results from USDA approved laboratories are acceptable.

- (1) Exceptions to these test Requirements:
 - a. equine consigned directly to an approved slaughtering establishment accompanied by a prior permit issued by the Commission;
 - b. equine that have been "S" branded and consigned directly to an approved slaughter establishment accompanied by a VS 1-27 permit;
 - c. equine may enter Texas when consigned directly to a veterinary hospital or clinic for treatment or for usual veterinary procedures when accompanied by a permit number issued by the Commission. Following release by the veterinarian, equine must be returned immediately to the state of origin by the most direct route;
 - d. Equine may enter Texas for shows, fairs, exhibitions, or assembly purposes when accompanied by a valid equine interstate passport or equine identification card and a completed VS Form 10-11 showing negative results to an official EIA test within the previous 6 months.

B. All equine must meet the same requirements for fever ticks and scabies as for "Cattle Entering the State from Other States".

9. Swine Entering the State

A. A prior entry permit is required for all swine, except those consigned direct to slaughter and those consigned from a premise of origin to a specifically approved market and those that originate from an approved swine commuter herd.

B. A certificate of veterinary inspection is required for all but slaughter swine listing identification and including a statement that they have not been fed garbage, have not been exposed to hog cholera or pseudorabies, and have not been vaccinated for pseudorabies. Swine may be consigned direct to slaughter or a specifically approved market for sale to slaughter

accompanied by a waybill in lieu of the certificate.

- C. Leptospirosis vaccination is required on breeding swine within 30 days prior to entry with Leptospirosis vaccine containing the following strains: Bratislava, Canicola, Hardjo, Icterohemorrhagiae, Grippotyphosa, Pomona.
 - D. A negative brucellosis test is required on breeding swine within 30 days prior to entry, if not originating from a validated brucellosis free herd or state.
 - E. Breeding swine not known to be infected with or exposed to pseudorabies may enter under the following conditions:
 - (1) Move directly from a farm of origin in a Stage IV or Free State; or,
 - (2) Move directly from a Qualified Pseudorabies Negative Herd in a Stage III; or,
 - (3) Move directly from a Qualified Pseudorabies Negative Herd in a Stage I or ij State, and held in isolation and under quarantine on the premise of destination, and tested or retested for pseudorabies in not less than 30 nor more than 60 days after arrival.
 - (4) Tested negative for pseudorabies within 30 days prior to entry, held in isolation and under quarantine on the premise of destination, and tested or retested for pseudorabies in not less than 30 nor more than 60 days after arrival.
 - F. Feeder swine entering for feeding show, fair, or exhibition and not known to be infected with or exposed to pseudorabies may enter under the following conditions:
 - (1) Swine are tested negative for pseudorabies within 30 days prior to entry; or they originated from a qualified PRV Negative Herd; or they were moved directly from a farm of origin in a Stage IV or Free State; or they were moved directly from a PRV Monitored Feeder Pig Herd in a Stage III, IV or V State; and
 - (2) They are held in isolation and under quarantine on the premise where first unloaded and tested or retested for PRV in not less than 30 nor more than 60 days arrival; or they are to be fed for show purposes and enter directly from the premise of origin in a Stage V State or directly from a Qualified Herd in a Stage IV State.
 - G. Feeder swine not known to be infected with or exposed to psuedorabies may enter provided they;
 - (1) are tested negative within 30 days prior to entry; or
 - (2) originate from a Qualified PRV Negative Herd; or
 - (3) are shipped directly from a farm of origin in a Stage III, IV or Free State; or
 - (4) are sold at an approved feeder pig market in a Stage III, IV or Free State and enter the state directly from that market; or
 - (5) originate from a PRV Monitored Feeder Pig Herd in a Stage ij, III, IV or Free State and held under quarantine until shipped to slaughter or held a minimum of 30 days and tested negative.
10. **Sheep Entering the State**

- A. A certificate of veterinary inspection is required on all imports. All breeding sheep regardless of age, all sheep 18 months of age or older, and all sexually intact show or exhibition sheep must be officially identified with a Scrapie Eradication Program eartag prior to entry.
- B. All breeding rams, six months of age and over must have had a negative ELISA test for brucella ovis within 30 days prior to entry or be from a brucella ovis free flock. Each ram shall be individually identified with an individual eartag or registration tattoo. This number, along with the test results and name of the approved laboratory and date of test, shall be entered on the certificate of veterinary inspection.

Texas Animal Health Commission Continued

11. **Goats Entering the State**

A certificate of veterinary inspection is required on all imported goats. See NOTE on first page about goats originating from Michigan.

- A. All breeding or exhibition goats must be officially identified with a Scapie Eradication Program eartag prior to entry, except registered goats with a registration tattoo and accompanied by registration papers.
- B. All goats in slaughter channels must be officially identified with a Scrapie Eradication Program eartag prior to entry, except goats that have not commingled with sheep.

12. Poultry Entering the State

- A. A certificate of veterinary inspection and entry permit is required on poultry except poultry delivered to a slaughter establishment (which maintains federal postmortem inspection) by the owner or consigned there and accompanied by a waybill indicating the plant of destination.
- B. Live domestic poultry, except those entering for slaughter and processing at a slaughter facility owned or operated by the owner of the poultry entering, may enter Texas only under the following circumstances:
 - (1) The domestic poultry originate from a flock that is certified as Avian Influenza clean in accordance with the National Poultry Improvement Plan and the shipment is accompanied by a Certificate of Veterinary Inspection; or
 - (2) The domestic poultry is from an Avian Influenza negative flock that participates in an approved state-sponsored Avian Influenza monitoring program and the shipment is accompanied by a Certificate of Veterinary Inspection indicating participation and listing the general description of the birds, test date, test results, and name or testing laboratory; or
 - (3) The domestic poultry originate from a flock in which a minimum of 30 birds, 4 weeks of age or older, or the complete flock, in fewer than 30, are serologically negative to an Enzyme Linked Immunosorbent Assay (ELISA) or Agar Gel Immunodiffusion (AGID) test for Avian Influenza within 72 hours of entry and a minimum of 10 birds (e.g. two pools of 5 birds per house) are tested negative on trachea swabs to a Directigen (R) test within 72 hours of entry or negative to other tests approved by the commission; the shipment shall be accompanied by a Certificate of Veterinary Inspection listing the general description of the birds, test date, test results, and name of testing laboratory.
 - (4) Live domestic poultry from states affected with Avian Influenza may enter Texas for slaughter and processing only under the following circumstances: A minimum of 30 birds per flock are serologically negative to an ELISA or AGID test for Avian Influenza within 72 hours of entry, and a minimum of 10 birds (e.g., two pools of 5 birds per house) are tested negative on approved by the TAHC, and specific written permission has been granted.
- C. Vaccination must be with vaccines approved by USDA and TAHC. (Contact TAHC for a list of approved vaccines.) NOTE: No modified live virus chick embryo origin Laryngotracheitis (LT) vaccine and no modified live virus mycoplasma gallisepticum (MG) attenuated vaccine may be used on poultry entering the State.
- D. The certificate should state that the poultry have not originate from an area that has had active Laryngotracheitis within the last 30 days.
- E. A negative pullorum-typhoid test is required within 30 days prior to entry or poultry must originate from flocks that meet either the Texas Pullorum-Typhoid Program and/or the National Poultry Improvement Plan (NPIP).
- F. Baby poultry are exempt from these requirements if from a NPIP or equivalent hatchery and accompanied by a NPIP VS Form 9-3 or an APHIS Form 17-6 or, are covered by an approved "Commuter Poultry Flock Agreement" on file with the state of origin and the Texas Animal Health Commission.

13. Exotic Livestock and Ratites Entering the State

Exotic Livestock are defined as grass-eating or plant-eating, single hooved or cloven-hooved mammals that are not indigenous to this state and are known as ungulates, including animals from the swine, horse, tapir, camel, llama, rhinoceros, elephant, deer, and antelope families.

Camelidae are defined as members of the family of animals, which includes camels, llamas, and vicunas. The domestic members of the genus llama include the llama, alpaca, and guanaco.

Ratites are defined as exotic fowl with a flat breastbone and small or nonexistent wings, such as ostriches, emu, rheas, and kiwi.

Exotic bovidae means non-indigenous members of the family of animals, which includes water buffalo, gnu (wildebeest), addax, antelope and nilgai (among others).

Exotic cervidae is further defined as non-indigenous members of the family of animals, which includes deer, elk, moose, caribou, reindeer and the sub-family musk deer.

- A. An entry permit and a certificate of veterinary inspection are required on all exotic livestock and ratites entering the state. The accredited veterinarian must state on the certificate that the exotic livestock and ratites have been inspected and are free of external parasites and evidence of contagious and communicable disease.
- B. In addition to an entry permit and a certificate of veterinary inspection, exotic cervidae must be tested negative for brucellosis within 30 days prior to entry and meet the tuberculosis entry requirements as outlined in "Cervids Entering the State" (#14).
- C. In addition to an entry permit and a certificate of veterinary inspection, exotic bovidae must be tested negative for brucellosis within 30 days prior to entry and negative to a tuberculosis test within 60 days prior to entry.
- D. In addition to an entry permit and a certificate of veterinary inspection, exotic swine must be tested negative to pseudorabies and brucellosis within 30 days prior to entry.
- E. In addition to an entry permit and a certificate of veterinary inspection, camelidae must be tested negative to a brucellosis and axillary skin test tuberculosis within six months prior to entry on all animals 18 months of age and older. All neutered camelidae are exempt from the Brucellosis test requirement.
- F. In addition to an entry permit and a certificate of veterinary inspection, ratites must be;
 - (1) Individually identified with an implanted electronic device (microchip). The identification will be shown on the certificate of veterinary inspection along with the location and name brand of the implanted electronic device. If an animal has more than one implanted microchip, then the location, microchip number, and name brand of each will be documented on the certificate of veterinary inspection; and
 - (2) Tested and found to be serologically negative for Avian Influenza and Salmonella pullorum/typhoid from a sample collected within 30 days of shipment. Birds or hatching eggs must originate from flocks that show no evidence of infectious disease and have no history of Avian Influenza in the past six months.

Ratites, destined for slaughter only, may enter accompanied by an entry permit and either a waybill or health certificate without meeting the testing or identification requirements.

14. Cervids Entering the State

- A. All cervids entering the State must be accompanied by a certificate stating they were classified negative to two tuberculosis tests, which were conducted no less than 90 days apart; the second test was conducted with 90 days prior to the date of movement; and that the animals were isolated from all other members of the herd during the testing period, or;
- (1) originate from an accredited free herd, or;
 - (2) Originate from a qualified herd and have a classified negative 90 day tuberculosis test,. If the qualifying herd test was administered within 90 days of movement, the animal(s) do not require an additional test, or;
 - (3) originate from a monitored herd and have a classified 90 day tuberculosis test, or;
 - (4) be less than 12 months of age, originate and were born in accredited, qualified, or monitored herds and have not been exposed to cervids from a lower status.
 - (5) See NOTE on first page about cervidae originating from Michigan.
- B. All cervidae entering Texas must meet the Chronic Wasting Disease (CWD) Monitoring Program and entry permit requirements. Contact TAHC during business hours for information on the CWD requirements.
- C. All mule deer and white-tailed deer are also required to obtain an entry permit from the Texas Parks and Wildlife Department.

SPECIAL RULES

1. **General:** All entries and awards in this department shall be subject to the General Rules and Regulations published in the front of this catalog. PLEASE READ.

2. **Entry:** Entry deadline is TUESDAY, August 15, 2006. A non-refundable entry fee of \$25.00 will be charged for each head entered. Late entries will be accepted until Labor Day for an additional \$10.00 per head. Initial bedding is provided.

3. **Passes:** Each exhibitor will be mailed 2 season passes and 1 "Gate 2" parking pass. Additional parking passes can be purchased for \$10.00 each at time of entry.

4. **Eligibility of Animals:** Only animals registered in a recognized Association may be shown. Only International Boer Goat Association or American Boer Goat Association registered animals may be awarded points. If animal is not International Boer Goat Association registered, owner has the option to register the winning animal within five business days with the International Boer Goat Association and still be eligible to be awarded points. If the winning animal is not International Boer Goat Association registered within the allotted time, points will not be awarded.

5. **Veterinary Inspection:** All goats must be accompanied by a health certificate issued by a licensed veterinarian. Provisions of The Texas Animal Health Commission will apply.

6. **Age of Animals:** Age of animals shall be computed from the date it is judged. Birth dates as listed on the registration certificate will be used to determine class entries.

Registration:

7. A registration certificate is required for all animals six (6) months or older.

8. A stamped duplicate or faxed duplicate application showing the date received by the International Boer Goat Association or American Boer Goat Association office is required on all animals under six (6) months of age.

9. No copies of registration or stamped duplicate of official registration will be accepted unless the animal is under six (6) months of age.

10. The documents specified above as the requirements for that age animal to be shown must be presented to the Show Secretary for verification before the judging begins.

Open Boer Goat Show Continued

11. Proof of ownership shall be the name on the registration document. Persons showing animals whose registration certificates have signed transfers that have not been processed by the International Boer Goat Association or American Boer Goat Association Office must show those animals as an agent for the owner on International Boer Goat Association or American Boer Goat Association records.

12. An exhibitor shall not present an animal to be shown under a judge from whom it was purchased or possession taken within 90 days of show.

13. An exhibitor shall not present an animal to be shown under a judge who is his/her immediate family, employer, or employee.

14. If an animal is registered in the International Boer Goat Association or American Boer Goat Association, that registration number must be listed on the entry form.

15. Any animal that has attained the "Platinum Champion" status or has received sufficient points to reach the "Platinum Champion" status is ineligible to show in International Boer Goat Association sanctioned or otherwise sponsored events. These animals are eligible to be displayed at any International Boer Goat Association events.

16. An exhibitor shall not knowingly show an animal that does not meet eligibility requirements.

17. **Classes:** Classes are available for Percentage and Fullblood. Percentage classes are for goats 50% to 87.5% Boer; Fullblood classes are for female goats that are 15/16 blood (93.7%) and higher and 31/32 blood (96.88%) and higher for male goats. Progeny will not be allowed in the ring.

18. **Breeding:** All animals must be registered purebred or percentage blood Boer goats and the registration papers and tattoo(s) or other means of permanent identification approved by the Superintendent or the Assistant Superintendent before the animal enters the show ring.

19. **Tattoos:** All goats must have legible tattoo(s) of other means of permanent identification that matches the one(s) on its registration certificate or the animal will not be shown. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader. Tattoo policy will be strictly enforced.

20. **Heelers:** Heelers will not be allowed in the show ring.

21. **Abnormality:** Any goat showing any pronounced defect of abnormality will be barred from showing in any of the breeding classes.

22. **Fitting:** Fitting will be left up to the discretion of the exhibitor. No artificial coloring will be allowed.

23. **Females:** Any female over 24 months of age that has not kidded will not be allowed to show.

24. **Check In:** All exhibitors not checked in or that have not notified the superintendent with sufficient cause by check in deadline, will be disqualified.

Greg Jones, Ass't. Superintendent

Chris Bishop, Ass't. Superintendent

Mark Dykes, Judge
Campbell, TX

Total Premiums Offered — \$9,710.00

SPECIAL RULES

1. All entries and awards in this department shall be subject to the General Rules and Regulations as published in the front of this catalog.

2. Exhibitors must be bonafide members of a County 4-H club or FFA Chapter. Exhibitors must have continuously, personally, fed, and cared for their animals under the direct supervision of a CEA or an AST.

To be eligible, boys or girls must be enrolled in, and attending, public, private, or home school elementary or secondary schools in Texas; and are eligible to participate in the 2006-2007 year if they are 8 (and in the third grade) or 9 years of age by August 31, 2006 and have not reached the 19th birthday on or before August 31, 2006.

All entries must be made by the CEAs or ASTs with one check for the entry fees. Entries will not be accepted from individual junior exhibitors.

3. Entries – 2 steers will be allowed. All steers must have a Texas Validation Ear Tag. Only 4-H and FFA Club members from the following counties are eligible to show: Bailey, Borden, Briscoe, Castro, Cochran, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Kent, Lamb, Lubbock, Lynn, Mitchell, Motley, Parmer, Scurry, Swisher, Terry, and Yoakum, Texas.

4. Entry fee: \$30.00 per steer. Entry fees are non-refundable.

5. **DEADLINE TO ENTER** is August 15th, 2006. Entry forms must be post-marked by that date. Entries received after deadline, between August 16th and Labor Day must pay a late fee of \$10.00 per entry. No entries will be accepted after Labor Day. Only 400 entries will be accepted and entries received in excess of this number or after this closing date will be returned.

6. Each exhibitor will be issued 2 season passes but must purchase a "Gate 2" parking pass for \$10.00. Complimentary parking passes will not be issued. The \$10.00 pass fee must be included with entry fees at the time entry is made and all passes and parking passes will be mailed to the CEA or AST prior to the show.

7. **Arrival and Release Times:** Steers must be in the barn by 6 p.m. on Thursday, September 28. Immediately after unloading, each trailer must be moved off the fairgrounds to an outside parking lot as instructed by your Show Superintendents. The parking area will be policed and protected from vandalism. Trailers left on the inside parking lot or around the barns will be towed by a commercial wrecker service and held for charges. Steers will be released on Saturday 9/30 after their class has been judged.

8. Each exhibitor must show his or her own steer. In case of emergency, the Superintendent may appoint a qualified Junior to show the steer.

9. **Grooming chutes will not be allowed on the fairgrounds.**

10. **Coloring Rule: No change of a major color pattern of any animal by painting or dyeing will be allowed. No hair or hairlike substances may be used on legs or underneath the body.**

All steers will be checked for color upon entering barn. No paint, powder, or color of any kind can be used above the hock and knee.

11. Cedar fiber is used in the beef cattle barn and no straw is allowed. Exhibitors may bring extra cedar fiber or wood shavings for additional bedding.

12. Steers may not be tied out before 9:00 p.m. Tie out space is limited and exhibitors are requested to keep their steers in the barn at night.

13. **Divisions** — There will be five Breed Divisions with the following classes in each division:

Junior Steer Show Continued

American Breeds and Crosses - This division will be comprised of steers that are combinations of purebred or crossbred Brahman, Brahman based and/or any other American breeds that exhibit the typical physical characteristics of 3/8 or more American Breed cattle.

Class 01 Class 02

Crossbred and Other Breeds

Class 01 Class 02 Class 03

If entries justify the addition, the Superintendents may add one more class to each division. Classes will be broken at the discretion of the superintendents.

14. **Weigh-In:** Weighing and Classifying will begin at 10:00 a.m. on Friday, September 29th. On the day of weighing and classifying, exhibitors will be called by breed to the scales. Exhibitors will declare the breed of the steer by presenting the animal at the designated time for that breed. Any steer classified out of that breed division will not be allowed to declare an alternate breed and will be re-classified at the discretion of the 3-man classifying system. The decision of the classifiers will be final and protests will not be considered by management. Minimum weight of 700 pounds.

15. **Champions:** A Breed Champion and Reserve Breed Champion will be selected from the First and Second place steers in each of the classes in the five Breed Divisions. The Grand Champion and Reserve Grand Champion will be selected from these Breed Champions.

16. **Judging:** Judging will begin at 11 a.m. Saturday, September 30th, if heifer show is over, if not we will begin the Steer show after the conclusion of the heifer show but in no case will the steer show begin prior to 11 a.m.. Steers will be judged in the order that classes are listed in the premium book.

WOMEN'S DEPARTMENT

SUPERINTENDENTS

Connie Butler	Edna Schumacher
Mary Cotten	Leta Smith
Linda Huff	Nicky Standlee
Jo Anne Mead	Janie Westbrook
Elizabeth Montgomery	Eleanor Whitt

Rosettes for Best of Show will be awarded in each department in divisions to be designated by the superintendent. These awards are given at the discretion of the judges for entries which illustrate outstanding merit.

GENERAL RULES AND REGULATIONS

1. All entries in this department will be subject to the General Rules and Regulations as published in this catalog. **Please read.**

2. The superintendents of each department in charge of entries reserve the right to accept or reject entries, depending on the condition and the suitability for exhibit.

3. **NOTE ENTRY TIMES.** A schedule of entry times is listed under each department. **NO SHIPPED-IN EXHIBITS WILL BE ACCEPTED.**

4. NO ENTRY FEES IN ANY DIVISION

5. Any exhibit that has been awarded a premium in this Fair in any previous year is not eligible to re-enter that exhibit in the current year's Fair.

6. No soiled articles will be accepted.

7. All exhibits must be the work of the exhibitor and made within the last three years, except where noted otherwise, i.e. Antiques & Relics. **All articles must be constructed by the exhibitor only and must be completed**, example: you cannot piece a quilt top & have someone else quilt it. **Frames for cross-stitch, etc. may be purchased.**

8. An exhibitor may enter only one article per class number.

9. Premiums shall be awarded in accordance with the merits of the article exhibited.

10. Judges and Fair Officials will not be permitted to enter exhibits in the divisions which they judge or work.

11. **Professional work will be accepted in the crafts and hobbies and culinary departments.** You are considered a Professional if you teach or have taught for a fee, lecture or have lectured for a fee, written books or articles for profit, sell for-profit products you have made, or sell services for a fee. All work must be yours alone, example: you cannot piece a quilt top & have someone else quilt it. At time of entry, exhibitor is to designate "Professional Division". **Frames for cross-stitch, etc. may be purchased. Ribbons will be awarded; premiums will not be awarded.**

12. **PICK UP ARTICLES:** Exhibitors must present their duplicate entry ticket to retrieve their articles between 9:00 a.m. and 6:00 p.m. on Monday, October 2nd. Any non-perishable exhibit not picked up by 6:00 p.m. will be held for 60 days in the Fair office, after which time, it will be discarded. Perishable items will be discarded immediately.

13. No article entered for exhibit in any division of the Women's Department may be removed prior to 9 a.m. on Monday, October 2nd without the specific written consent of the Fair Manager.

14. To the Extension Homemakers or Young Homemakers Club whose members win the greatest number of points on individual exhibits, the following prizes will be given: First — \$60.00; Second — \$40.00; Third — \$30.00. The points will be counted as follows: Blue ribbon — 3; red ribbon — 2; white ribbon — 1.

15. To the Extension Homemakers or Young Homemakers Club members winning the greatest number of points, the following prizes will be given: First — \$15.00; Second — \$12.50; Third — \$10.00.

16. Contestants under Nos. 14 and 15 must be members of Extension

Homemakers Clubs working under the supervision of an Extension Agent, or members of Young Homemakers Club of Texas working under the supervision of a Consultant of Home Making Education.

17. Entrants are encouraged to provide address labels to speed up the entry process.

RULES FOR JUDGES

1. Judges may not work as a volunteer to accept exhibits.
2. Judges are not to be informed of any exhibitor's name.
3. Judges will judge amateurs and professionals in separate divisions.
4. **A Judge may not have an exhibit as an armature/professional in the Department in which they are working. A judge may have an exhibit in a Department in which they are not working.**
5. If a judge believes that they recognize the work of an exhibitor, the judge is to evaluate impartially and fairly.
6. If a judge is given a soiled item, the judge should contact the superintendent/assistant superintendent to inquire about the condition of the item at time of entry, as no soiled items should be accepted.
7. Judges are to contact superintendent/assistant superintendent if exhibit appears to be in the wrong class. Superintendent will verify class written on entry ticket.
8. Judges are to evaluate each exhibit in each class on quality of workmanship, originality, use of color, etc.
9. Judges may award 1st, 2nd, 3rd, or Honorable Mention ribbons in each class. It is **not** required that ribbons be awarded if judges feel that entries do not merit award.
10. Rosettes for Best of Show are to be awarded in each department's division to be designated by the judges. These awards are to be given at the discretion of the judges for entries which illustrate outstanding merit.
11. Judges are not to discuss the exhibit with assisting volunteer workers.
12. A judge may disqualify themselves for any reason.

GENERAL INFORMATION

1. This show is sponsored by the Lubbock Council of Garden Clubs as a Standard Flower Show. No money prizes will be given to individual exhibitors, only first, second, third place ribbons, honorable mention ribbons, and local awards.

2. This show is open to **all amateurs** wishing to exhibit both in horticulture and design. They need not be garden club members and everyone is invited to enter. Entries from 4-H and FHA members are welcomed and points will be given through the Youth Department. (These youth should put this information on entry card).

3. Container grown plants, arboreal specimens, miscellaneous ornamentals, and dried designs **only** will be accepted at the Flower Building between 3:30 and 5:30 p.m., Thursday September 21. Due to building space, container grown plants or pots (Excluding hanging containers) **should not** exceed 28" in diameter. All containers should be marked on the bottom with name and phone number. For additional information on container plants, please call Kay Carpenter at 793-6695.

4. **All** types of entries (including above) will be accepted between 8:00 and 11:00 a.m., Saturday, September 23 at the Flower Building.

5. Entries and ribbons may be claimed and removed between 1:00 and 3:00 p.m., on Sunday, October 1. If not claimed on Sunday, they must be removed between 9:00 and 11:00 a.m. on Monday, October 2. No entry shall be removed from the exhibit area before this time. The Committee will not be responsible for any unclaimed exhibits or ribbons.

All exhibits will be carefully guarded while the show is open, but the Committee and Fair Association will not be responsible for loss or damage to exhibits or to personal property of exhibitors.

Exhibitors are strongly encouraged to come to the Flower Building at least once during the Show to replace your exhibit with fresh materials.

6. Following is an **abbreviated** schedule of classes. Copies of the complete schedule will be available at the Panhandle South Plains Fair Office, 1012 Ave. A or the Garden and Arts Center, 4215 University. Exhibitors are urged to have a complete schedule to avoid misunderstandings and disappointments and for a complete listing of rules.

SHOW THEME: "ENERGY"

HORTICULTURE — DIVISION 130

1. All entries in Horticulture Division (with exception of container-grown plants) **MUST BE GROWN OUTSIDE BY THE EXHIBITOR AND ONLY ONE ENTRY IN EACH CLASS OR SUBDIVISION WILL BE ALLOWED.** Container grown plants must have been container grown by exhibitor for at least three (3) months. Exceptions: Multiple plantings such as terrariums or hanging planters, must have been grown together for at least six (6) weeks.
